## It is good to give you thanks, O Lord.

In today's Gospel account Jesus speaks of mustard seeds and grains of wheat. Very often it is little things that grow into big things. Even though we may think we have little faith, God can take what little we have and make something wonderful out of it. God is always taking small and seemingly insignificant things and turning them into things of infinite worth.

We are all very important, so important in fact that God's only begotten Son died for us. Take to heart Jesus' word for you today. Live by it. God is always making big things (a whole universe in fact!) from small beginnings.

### Prayer of St Thomas More:

O Lord, give us a mind that is humble, quiet, peaceable, patient and charitable, and a taste of your Holy Spirit in all our thoughts, words and deeds. O Lord, give us a lively faith, a firm hope, a fervent charity, a love of you. Take from us all lukewarmness in meditation, and all dullness in prayer. Give us fervour and delight in thinking of you, your grace, and your tender compassion toward us. Give us, good Lord, the grace to work for the things we pray for. Amen.

God bless, Fr Rajesh.

**St Richard's  
 Catholic College**

You may have heard and seen in the local papers and media that we are holding a fundraiser in memory of our dear former pupil, Sophie Taylor, who sadly passed away last year. Mini-postcard art created by famous artists, staff and pupils are being sold on eBay with starting bids of just £1. All funds from the postcard auction will go directly to the Royal Marsden in Sophie's memory. She was a parishioner of St Mary's Star of the Sea, Hastings and a pupil of St Richard's Catholic College.

**St Mary Magdalene's  
 Catholic Independent  
 Nursery**

Ofsted carried out an inspection of our Nursery on 15<sup>th</sup> May; having provided 24hrs notice!  
 We are delighted to announce that the inspection report graded the Nursery as **GOOD** in all sections.  
 A huge thank you to the staff and all those involved in helping to achieve this great result.

**St Martha's Wild Life Garden**

We are lucky enough to have attracted a hive of tree honey bees to the bird box in the garden. We have put up warning notices. Karl our wonderful grounds-man is keeping an eye on them and informs us we have no problem; if they are not disturbed. This is great news in view of the declining population of bees.
