

Stewards Required!

From 4th July, Churches may resume communal acts of worship and we would like to be able to offer Holy Mass at St Mary Magdalene Church. With COVID-19 social distancing requirements, the capacity of the Church is only 40 people.

To open we must have 2 stewards on duty and so we need a team to make a session viable. If you can help please email stmm@btconnect.com and return the questionnaire on page 2, so that we can add you to a team or pair you up with other willing volunteers waiting to be allocated.

We have stewarding teams for Wednesday, Friday and Saturday mornings, and we have opened up for private prayer and adoration of the Blessed Sacrament. We need to open up more sessions throughout the week: mornings, afternoons or evenings before we can offer Holy Mass. We need to be sure we have enough capacity across the week to avoid any potential over-crowding or people being turned away.

As Stewards welcome, you need to hold a DBS from the Parish (or at least from a recognizable organisation). As Stewards also clean, you need to be aged under 70 years and have no underlying health conditions either personally or within your household. Thank you for reading and we hope you can volunteer so that we can open up more sessions, which could then have Mass celebrated within them.

Mass will not resume until we have the stewards in place.

Questionnaire for Volunteers

Volunteers should **NOT** participate in the following circumstances

- If they, or a member of their household is currently unwell with symptoms of Coronavirus
- If they are vulnerable due to age or underlying health issues
- If they live with someone who is extremely vulnerable

Name:

E-Mail:

Telephone Number:

With which tasks are you able to assist? (please tick)

Stewarding

Daily cleaning, usually after the church is closed

Are you over 70 and/or have underlying health conditions?

Are you living with someone who is “clinically extremely vulnerable”?

On which days could you assist?

Please state day and time: morning, afternoon, evening.

How often would you wish to assist?

Please state, once a week, more than once a week, more than twice a week.

Please confirm that do you **not** any allergies to latex or cleaning products?
